Dear Mr Patterson:

I have just received your letter, and am hastening to answer. I am sending the letter and a copy of my answer to Mr Manley, as the team has not returned to Newark as yet. They are due back here May 2nd.

I know Mr Manley and the team are looking forward to you joining up with them, and would like to know from you when you can be expected.

You know I am sure the season opens May 4th, so we will want you to join us as soon as possible for you to do so. You did not answer a question in my last letter, about whether or not you are getting in condition. I would like to know if you will be able to play as soon as you arrive. I am sure due to your work, and the fact that you live where the weather is good you will be in condition to play, but I would appreciate hearing from you about it.

I am glad to know you are coming to the club, and I want you to know we will be very glad to have you with us.

Very Truly Yours
